**New £3million European Data Centre Contract**

Further to the announcement on 4 April 2013, the Directors are pleased to announce that Connaught Access Flooring ("Connaught"), the Group's specialist data centre flooring company, has now entered into the £3 million contract to supply and fit the flooring for the first stage of a major European data centre. This represents the largest contract undertaken by Connaught to date and is scheduled to be completed this year. A further announcement will be made when appropriate.

Graham Read, Chief Executive Officer, commented:

"We are delighted that Connaught has won this prestigious contract and, in view of our strong pipeline, look forward to further progress this year."
